Examiner's Amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

To the Specification

On page 16, line 17 of the specification delete "24" and replace with – 23 --.

Remarks

In response to a publication query, it was noted that the Brief Description of the invention contained two descriptions of Figure 24 but none of Figure 23. The examiner has corrected the first description as indicated above; whereby, all drawings are now briefly described in the Brief Description.
